

CITY OF MIAMI
ADDENDUM NO. 2
October 23, 2009

**DESIGN BUILD SERVICES FOR THE
DESIGN AND CONSTRUCTION OF BISCAYNE SKATE PARK
RFP No. 08-09-068**

TO: ALL PROSPECTIVE PROPOSERS:

The following changes, additions, clarifications, and deletions amend the above-captioned Request for Proposal, and shall become an integral part of the Proposal Responses and the subsequent Agreement. Please note the contents herein and affix same to the documents you have on hand.

Request for Information

Question	1	How many vending machines is the City planning to provide?
Answer	1	Three vending machines will be provided: a water and juice machine, a candy & cookies machine, and a snack machine (chips, pretzels, etc.).
Question	2	Responses to bidder's questions do not provide the basic information required for a Proposer to provide an accurate proposal to the City. Per CCNA, Florida Statutes 287.055 paragraph (j), please provide "survey information concerning the site, interior space requirements...schematic layouts and conceptual design criteria of the project... design and construction schedules, site development requirements, provisions for utilities, stormwater retention and disposal and parking requirements applicable to the project."
Answer	2	All but the following have been addressed in the DCP: <ul style="list-style-type: none"> • Existing survey is hereby provided. • Two bubble diagrams are provided; however, due to the unique nature of the project, schematic and design concepts for some components have not been provided. It is the responsibility of the Proposer to create the concept and layout of the park components. • Stormwater retention and disposal- It would be acceptable to have the first two or three inches of runoff detained in low areas as a part of a creative site design, that might include some wetlands plants in designed/planned low lying areas. Such a design approach would also likely be seen as a "positive" ecologically. • Parking for a minimum of 20 cars should be provided.
Question	3	Please provide the Proposal Bond forms.
Answer	3	The Proposal Bond Forms can be found in the Construction Agreement (pages 90-92).

Question	4	Will proposals exceeding the budget amount of \$1,000,000 be dismissed?
Answer	4	No.
Question	5	Please confirm that the budget for the Biscayne Skate Park is set at \$1,000,000 for design and construction fees.
Answer	5	Correct.

THIS ADDENDUM IS AN ESSENTIAL PORTION OF THE REQUEST FOR PROPOSALS (RFP) AND SHALL BE MADE A PART THEREOF.

 Gary Fabrikant, Assistant Director
 Capital Improvements Program

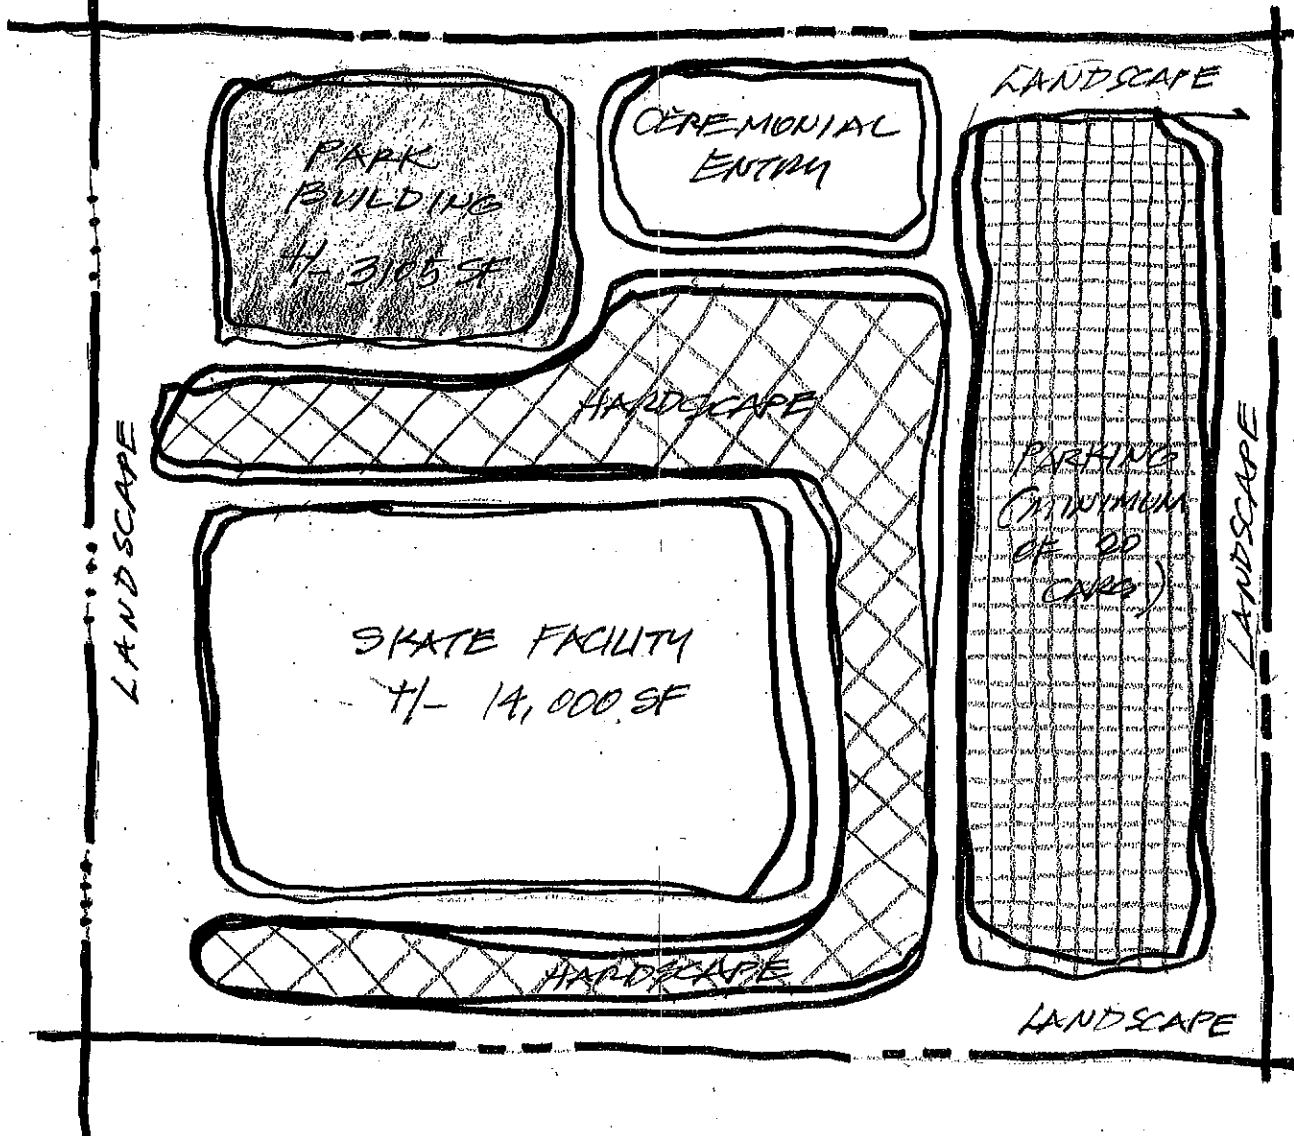

This Addendum should be signed and dated by the Proposer and submitted as proof of receipt with the submission of Proposals. The Proposer by identifying the addendum number in their Proposal and by signing and submission of their Proposal shall serve as proof of receipt of this Addendum.
