

CITY OF MIAMI

ADDENDUM NO. 1

November 13, 2008

GENERAL ROADWAY & DRAINAGE CONSTRUCTION (Re-Bid) ITB NO. 08-09-004

TO: ALL PROSPECTIVE BIDDERS:

The following changes, additions, clarifications, and deletions amend the above-captioned Bid/Contract documents, and shall become an integral part of the bid responses and the subsequent contract. Please note the contents herein and affix same to the documents you have on hand.

Change in Roadway Bid Page Spreadsheet-Drainage Sheet

Please find attached as part of this Addendum, the Drainage Sheet for the above referenced document, which has been revised and includes an additional line item 35-86-36A (with the asterisk). This sheet replaces the original included in the Roadway Bid Page Spreadsheet, and becomes part of the official contract document and must be part of the bidder's submittal.

Clarification -Technical Specifications for non-FDOT items

As per the contract documents, Section 3-Supplimental Terms and Conditions, Paragraph 7 "FDOT Specifications", please reference the "City of Miami Engineering Standards for Design and Construction Specification (December 2005)", which can be obtained from the City of Miami's Public Works Department, for all Non-FDOT items.

Questions from the Pre-Bid Meeting October 28, 2008

Q1. What happens if there is a tie in any of the categories for the submitted bids?

A1. Please review Section 18-5.1. of the City Code. Bidders whose primary office is located within the City of Miami may qualify for the City's local vendor preference. Also taken into consideration are how many awards per company received per bidder and past performance.

Q2. Will any projects exceed \$500,000?

A2. Yes

Q3. Who is responsible for the permitting and inspection, the City or the contractor?

A3. Permit is the responsibility of the Contractor. Inspection will be performed by the authority having jurisdiction over the permit(s). Reference Section 3-General Conditions-Section 93 of the contract documents.

Q4. Is there a minimum dollar amount on any of the projects?

A4. No.

Q5. Will any of the benchmark bid prices listed (unit reference prices) be able to be adjusted?

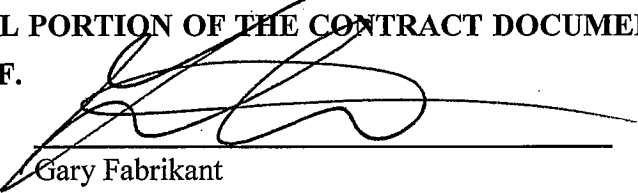

A5. Items will be reviewed and adjusted as follows. On the FDOT line item we will make adjustments Based on FDOT adjustments. For non-FDOT items we will review the prices annually or at such time as there are unusual market fluctuations.

- Q6. Will Bonding be required if a contractor bids only on a single trade, sidewalk, etc?**
A6. No bond will be required for award. Subsequent to award when the contractor reaches \$200,000 in the value of projects a performance and payment bond will be required.
- Q7. Are the individual projects for the trades designed yet?**
A7. No.
- Q8. If FDOT has a "liquid asphalt" clause, will the City adjust it's prices on a monthly basis?**
A8. Unless it's a significant increase, prices submitted are locked for a one year period unless there are unusual spikes in the pricing.
- Q9. Will it be possible to add line items that are not included in the bid forms if requested as part of a project at a later date?**
A9. Yes, contractor will be requested to submit a price for additional line item based on the current market price.
- Q10. Can one contractor be awarded two contracts?**
A10. Yes, if they are awarded the multiple trade contract they are eligible for one of the single trade contract awards.
- Q11. Will the City come back at a later date to the contractor and allow a price reduction if market prices drop? Please clarify.**
A11. Only if there are significant changes in market conditions and at the sole discretion of the City.
- Q12. What is the time frame for the bid prices submitted for the items (unit prices) in effect for?**
A12. For a period of one year
- Q13. According to the bid documents, the contractor must respond to the City within 24hrs and submit a proposal for a project, what happens if due to the need for an inspection that timeframe is not possible?**
A13. The City in its sole discretion can extend the time for submission.
- Q14. How are the quantities of the items in the bid determined? Are they based on an average quantity times the number of projects?**
A14. Quantities are based on best estimates and do not form the basis for any minimum guarantees.
- Q15. Are the established quantities in the bid plus or minus 10% of each proposal?**
A15. No.

Additional Request for Information
