Chapter 10

Expenditures

An expenditure is a purchase, payment, distribution, loan, advance, transfer of funds by a campaign treasurer or deputy campaign treasurer between a primary depository and a separate interest-bearing account or certificate of deposit, or gift of money or anything of value made for the purpose of influencing the results of an election or making an electioneering communication.

(Section 106.011(4)(a), F.S.)

Petty Cash

A committee of continuous existence may withdraw and use petty cash for expenditures. Such expenditures must be reported on its campaign treasurer reports.

Credit Cards

A committee of continuous existence may use a credit card to make expenditures.

Debit Cards

A committee of continuous existence may use a debit card to make campaign expenditures.

(Division of Elections Opinion 06-13)

Chapter 11

Recordkeeping

The Division of Elections has a few suggestions which may be helpful to treasurers in setting up a system to record and maintain campaign information.

1. Keep a schedule of due dates for campaign treasurer's reports.
2. Know what period of time each report covers and only report activity occurring during that reporting period.
3. Keep a copy of the electronic receipt for each report filed for your own records if filing with the Division of Elections.
4. Record all contributions when received. Make sure to include the name, address, specific occupation, or principal type of business if over \$100, of the contributor, and the amount and date of each contribution. Keep contributions itemized by monetary, in-kind and loans.
5. Record all expenditures when they occur. List the name and address of each person to whom the expenditure was made along with the amount, date, and purpose.
6. Monitor the cash flow to know how much money is available at all times in the account to avoid any possibility of authorizing an expenditure when money is not available to pay for such expenditure.
7. Maintain a listing of all funds currently in the separate interest-bearing account, certificate of deposit, or money market account.
8. Make sure authorization for advertising has been obtained from the candidate.

Chapter 12

Filing Reports

Where to File

All committees of continuous existence file reports with the Division of Elections and are required to file by means of the **Electronic Filing System** (see Chapter 13, *Electronic Filing of Campaign Reports*).

(Section 106.04(4)(c), F.S.)

When to File

Reports must be filed on the 10th day following the end of each calendar quarter (January, April, July and October) from the time the committee registers, except that if the 10th day occurs on a Saturday, Sunday or legal holiday, the report shall be filed on the next business day that is not a Saturday, Sunday or legal holiday.

Following the last day of qualifying, the reports must be filed on the 32nd, 18th and 4th days immediately preceding the primary election and on the 46th, 32nd, 18th and 4th days immediately preceding the general election. (Refer to the **2007 – 2008 Calendar of Reporting Dates** for specific dates.)

Pursuant to Section 106.0705, Florida Statutes, all reports filed with the Division of Elections must be filed electronically by midnight of the due date.

Penalty for Late Filing

Any committee of continuous existence failing to file a report on the designated due date shall be subject to a fine. The fine shall be \$50 per day for the first 3 days late and, thereafter, \$500 per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is greater, for the period covered by the late report. The fine shall be assessed by the filing officer, and the moneys collected shall be deposited in the General Revenue Fund.

(Section 106.04(8)(a), F.S.)

Waiver of Report

When there has been no activity in the campaign account during a reporting period (no funds expended or received) the committee is required to file a waiver. All waivers filed with the Division of Elections must be filed electronically using the Division's electronic filing system. The waiver must be filed by the due date.

(Sections 106.07 and 106.0705, F.S.)

Special Election Reports

When a special election is called to fill a vacancy in office, committees of continuous existence making contributions or expenditures to influence the results of the special election shall file campaign treasurers' reports with the filing officer on the dates set by the Department of State pursuant to Section 100.111, F.S.

(Section 106.07(1), F.S.)

Incomplete Reports

If a treasurer files a report that is deemed incomplete, he or she will be notified by the filing officer as to why the report is incomplete. The treasurer must file an addendum to the incomplete report within three days of notification. The addendum must include all necessary information to complete the report.

In lieu of a notice by registered mail, the filing officer may notify the treasurer by telephone that the report is incomplete and request the information necessary to complete the report. If such information is not received by the filing officer within three days after the telephone request, notice shall be sent by registered mail.

(Sections 106.07(2) and 106.04(4)(6), F.S.)

Reporting Contributions

All committees of continuous existence shall file their reports with the Division of Elections. Reports shall be filed in accordance with s. 106.0705 and shall contain the following information:

1. The full name, address, and occupation of each person who has made one or more contributions, including contributions that represent the payment of membership dues, to the committee during the reporting period, together with the amounts and dates of such contributions. For corporations, the report must provide as clear a description as practicable of the principal type of business conducted by the corporation. However, if the contribution is \$100 or less, the occupation of the contributor or principal type of business need not be listed. However, for any contributions that represent the payment of dues by members in a fixed amount aggregating no more than \$250 per calendar year, pursuant to the schedule on file with the Division of Elections, only the aggregate amount of such contributions need be listed, together with the number of members paying such dues and the amount of the membership dues.
2. The name and address of each political committee or committee of continuous existence from which the reporting committee received, or the name and address of each political committee, committee of continuous existence, or political party to which it made, any transfer of funds, together with the amounts and dates of all transfers.
3. Any other receipt of funds not listed pursuant to subparagraph 1. or subparagraph 2., including the sources and amounts of all such funds.

Reporting Expenditures

1. The name and address of, and office sought by, each candidate to whom the committee has made a contribution during the reporting period, together with the amount and date of each contribution.
2. The full name and address of each person to whom expenditures have been made by or on behalf of the committee within the reporting period; the amount, date, and purpose of each such expenditure; and the name and address, and office sought by, each candidate on whose behalf such expenditure was made.
3. The full name and address of each person to whom an expenditure for personal services, salary, or reimbursement for authorized expenses has been made. (see also Reporting Other Distributions)

4. Transaction information from each credit card statement that will be included in the next report following receipt thereof by the committee. Receipts for each credit card purchase shall be retained by the treasurer with the records for the committee account.

(Section 106.04, F.S.)

Reporting Other Distributions

Form DS-DE 14A, Other Distributions, is used to report:

1. Full name and address of each person to whom payment was made for which reimbursement was made by check drawn upon the campaign account together with the purpose of such payment.
2. Expenditures made indirectly through a treasurer for goods or services, such as communications media placement or procurement services, campaign signs, insurance or other expenditures that include multiple integral components as part of the expenditure.
3. Distribution of goods and services to a candidate, committee or party.

(Section 106.04, F.S.)

Chapter 13

Electronic Filing of Campaign Reports

The Electronic Filing System (EFS) is an Internet system for recording and reporting campaign finance activity by reporting period. Each committee of continuous existence required to file reports with the Division of Elections pursuant to Section 106.07, F.S., must file such reports with the division by means of the EFS.

Reports filed pursuant to this section:

1. Shall be completed and filed through the EFS not later than midnight of the day designated. Reports not filed by midnight of the day designated are late filed and are subject to the penalties under Section 106.04(4)(d), F.S., as applicable.
2. Are considered to be under oath by the treasurer, and such person is subject to provisions of Section 106.04(4)(d), F.S. Persons given a secure sign-on to the EFS are responsible for protecting such from disclosure and are responsible for all filings using such credentials, unless they have notified the division that their credentials have been compromised.

(Sections 106.0705 and 106.0706, F.S.)

Accessing the EFS

From *Internet Explorer* you can access the EFS at <http://efs.dos.state.fl.us>. Each committee is provided an identification number and initial password to gain entry. Once you log in using the initial password, you will be prompted to change it to a confidential one.

Creating Reports

Campaign reports must be entered, saved, reviewed, and filed via the EFS either by directly entering data into the web application or by uploading data using an approved vendor's software. The division maintains a list of approved software vendors whose programs meet the file specifications for filing campaign reports. Instructions for uploading reports are provided in the *EFS Help Guide*.

Submitting Reports

Reports will be held in pending status until the report is ready to be filed. Each person eligible to file a report will receive a PIN (personal identification number) that allows the person to file reports via the EFS. A person's PIN is considered the same as that person's **signature** on a filed report.

Electronic Receipts

The person filing a report on the EFS may print an electronic receipt verifying the report was filed with the division. Each report filed by means of the EFS is considered to be under oath and such persons filing the report are subject to the provisions of Chapter 106, F.S.
