The Campaign Financing Act

Chapter 106, Florida Statutes, regulates campaign financing for all candidates, including judicial candidates, political committees, committees of continuous existence, and political parties. ***It does not regulate campaign financing for candidates for federal office or candidates for a political party executive committee.***

The Division of Elections:

- Oversees the interpretation of and provides guidance on the election laws.
- Provides advisory opinions to supervisors of elections, candidates, local officers having election related duties, political parties, political committees, committees of continuous existence, or other persons or organizations engaged in political activity, relating to any provisions or possible violations of Florida election laws with respect to actions such person or entity has taken or proposes to take. (*Section 106.23(2), F.S.*)
- Prescribes rules and regulations to carry out the provisions of Chapter 106, Florida Statutes. (*Section 106.22(9), F.S.*)

NOTE ABOUT ELECTIONEERING COMMUNICATIONS AND ELECTIONEERING COMMUNICATIONS ORGANIZATIONS: A permanent injunction exists against the Secretary of State and members of the Florida Elections Commission, their officers, agents, servants, employees, and attorneys, as well as persons in active concert or participation with them, from enforcing the electioneering communications laws of Chapter 106. *The Broward Coalition of Condominiums, et. al. v. Browning, et. al.*, Case No. 4:08cv445-SPM/WCS, 2009 WL 145792 (N.D. Fla. May 22, 2009). The court found the following provisions unconstitutional: (a) All references to “electioneering communication(s)” in sections 106.011(3), 106.011(4)(a), 106.022(1), 106.04(5), 106.0705(2)(b), 106.071(1), 106.08(7), 106.1437, 106.147(1)(a), and 106.17; and (b) Sections 106.011(1)(b)3, 106.011(4)(b), 106.011(18), 106.011(19), 106.03(1)(b), 106.0703, 106.08(4)(b), 106.08(5)(d), 106.1439, and 106.147(1)(e) in their entirety.

Chapter 6

Becoming a Candidate

A candidate is any person who:

1. Seeks to qualify for nomination or election by means of the petitioning process;
2. Seeks to qualify for election as a write-in candidate;
3. Receives contributions or makes expenditures, or consents for any other person to receive contributions or make expenditures, with a view to bring about his or her nomination or election to, or retention in, public office;
4. Appoints a treasurer and designates a primary depository; or
5. Files qualification papers and subscribes to a candidate's oath as required by law.

(Section 106.011(16), F.S.)

What to File

Form DS-DE 9, Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates is the first document that must be filed with the filing officer to become a candidate. At the same time, the candidate must designate the office for which he or she is running. A candidate can appoint a campaign treasurer and designate a campaign depository at any time, but **no later** than the date the candidate qualifies for office. Nothing prohibits a person from announcing their intention to become a candidate prior to filing Form DS-DE 9, as long as no contributions are received, no expenditures are made, and no signatures are obtained on a candidate petition.

Form DS-DE 9:

1. Shall be filed with the filing officer **prior** to opening the campaign account.

Note: The campaign depository should not be opened until after the DS-DE 9 is on file with the filing officer.

2. Is not effective until the campaign treasurer signs it and it is filed with the filing officer.
3. Is not considered "filed" upon mailing, but only upon receipt by the filing officer.
4. Shall be on file with the filing officer **prior** to the candidate accepting any contributions or making any expenditures, or authorizing another to accept contributions or make expenditures on the person's behalf.
5. Shall be on file with the filing officer **prior** to obtaining signatures on a DS-DE 104, Candidate Petition.

Form DS-DE 84, Statement of Candidate, must be filed with the filing officer within 10 days after filing Form DS-DE 9. This form states that the candidate has received, read, and understands the requirements of Chapter 106, F.S. The execution and filing of the statement of candidate does not in and of itself create a presumption that any violation of Chapter 106, F.S., or Chapter 104, F.S., is a willful violation as defined in Section 106.37, F.S.

Form DS-DE 83, Statement of Candidate for Judicial Office, must be filed by each candidate for judicial office, including an incumbent judge, within 10 days after filing Form DS-DE 9. This form states that the judicial candidate has received, read, and understands the requirements of the Florida Code of Judicial Conduct.

(Sections 105.031, 106.021 and 106.023, F.S.)

Filing Officer

The filing officer is the person before whom a candidate qualifies:

Division of Elections State, multicounty, district, and judicial offices
(except county court judge)

Supervisor of Elections..... County court judge, countywide, and district offices
(except multicounty offices)

Municipal Clerk Municipal offices

(Section 106.011(14), F.S.)

Resign-to-Run

No officer may qualify as a candidate for another public office (whether state, district, county, or municipal) if the terms or any part thereof run concurrently with each other, without resigning from the office he or she presently holds. The resignation is irrevocable.

The written resignation must be submitted at least **ten days** prior to the first day of qualifying for the office. The resignation must be effective no later than the earlier of the following dates:

1. The date the officer would take office, if elected; or
2. The date the officer's successor is required to take office.

(Section 99.012(3), F.S.)

A person who is a subordinate officer, deputy sheriff, or police officer must resign effective upon qualifying pursuant to this chapter if the person is seeking to qualify for a public office that is currently held by an officer who has authority to appoint, employ, promote, or otherwise supervise that person and who has qualified as a candidate for reelection to that office.

(Section 99.021(4), F.S.)

The resign-to-run law does not apply to political party offices, persons serving without salary as members of an appointive board or authority, and persons seeking federal office.

(Section 99.012(6), F.S.)

For additional information regarding resign-to-run, see the Division's Frequently Asked Questions page: <http://www.elections.myflorida.com/gen-faq.shtml>.

Federal Hatch Act for State and Local Employees

Although a person may not be someone who would have to resign under Florida's resign-to run law, the person may be precluded by the federal Hatch Act (5 USC § 1501 – 1508) from holding his or her current job and becoming a candidate in a partisan election. The Hatch Act restricts the political activity of individuals principally employed by the state, county, or municipal executive agencies in connection with programs financed in whole or in part by loans or grants made by the U.S. or a federal agency. If the state, county or municipal employee performs duties in connection with an activity financed in whole or in part by federal funds, that employee is precluded from being a candidate for public office in a partisan election. With local governments making increasing use of federal grants, state and local government employees must be cognizant of the Hatch Act as it relates to their political activities.

Please note, however, that pursuant to 5 USC § 1502(c), Governors, Lieutenant Governors, mayors, elected heads of executive departments, and individuals holding elective office are exempt from the prohibition against being a candidate for public office. So, the Hatch Act prohibits state, county and municipal employees seeking public office in a partisan election, not an elected officer seeking re-election or election to another office.

The Department of State has no authority to advise individuals on the applicability of the Hatch Act; however, the U.S. Office of Special Counsel provides advisory opinions to potential candidates. Inquiries about the Hatch Act should be directed to the Special Counsel's "Hatch Act Unit." The contact may be in writing or by telephone at:

Requests for Hatch Act advisory opinions may be made by e-mail to: hatchact@osc.gov.

Information about the Hatch Act as it pertains to state and local employees may be found at: http://www.osc.gov/ha_state.htm.

Changing Parties for Partisan Offices

A person who has been a candidate for nomination of a political party may not change parties and seek the nomination of another party during the **six months** preceding the general election.

(Section 99.021, F.S.)

Changing the Designation of Office

A candidate can change the designation of office by filing a new Form DS-DE 9 and a written statement indicating the change with the filing officer. However, the candidate must notify each contributor in writing and offer to return their contribution using the following procedure:

1. Within fifteen days after filing the change with the filing officer the candidate must send a written notice to all contributors.
2. The candidate must offer (in the notice) to return to the contributor on a pro rata basis all contributions given in support of the original office.

3. The candidate must include (with the notice) a copy of **Form DS-DE 86, Request for Return of Contribution.**
4. If the contributor returns Form DS-DE 86 within 30 days of receiving the notice, the candidate must return a pro rata share of all contributions given in support of the original office.
5. If the contributor does not return Form DS-DE 86 within 30 days of receiving the notice, the candidate may use the contribution for the newly designated office.

If the candidate is changing the numerical designation of the office that has resulted solely from redistricting the above notice requirement is unnecessary.

The following formula is used to determine the pro rata share:

The amount of contributions contributed to the campaign that remain in the campaign account on
the date the candidate filed the change of designation
MINUS
The amount already obligated for goods or services
DIVIDED BY
The total amount of contributions contributed to the campaign
MULTIPLIED BY
The amount of the contribution contributed by the individual contributor

Pro Rata Refund Example

The candidate received a total of \$5,000 from all contributors. Of this amount, the candidate has \$2,500 remaining in the campaign account with an outstanding amount of \$500 owed for goods and services. This leaves \$2,000 in the account to be used for pro rata refunds. One contributor gave a \$500 original contribution and wishes to have it returned.

$$\$2,500 - \$500 = \$2,000 \div \$5,000 = 40\% \times \$500 = \$200$$

(Section 106.021(1), F.S.)

(Section 106.15(4), F.S.)

Making Malicious Statements

Chapter 9

Campaign Treasurers

Appointing Campaign Treasurers and Deputy Treasurers

Each candidate shall appoint a campaign treasurer by filing **Form DS-DE 9, Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates** with the filing officer before whom the candidate qualifies. The name and address of the campaign treasurer must be included on the form. A candidate may appoint a campaign treasurer and designate a campaign depository at any time, but no later than the date the candidate qualifies for office. A candidate who seeks to qualify by the petition process shall appoint a treasurer **prior to** obtaining signatures on petitions. Nothing prohibits a person from **announcing** his or her intention to become a candidate prior to filing Form DS-DE 9, as long as no contributions are received and no expenditures are made.

1. A candidate must have a campaign treasurer.
2. A candidate may appoint herself or himself as campaign treasurer or deputy campaign treasurer.
3. A candidate for statewide office (Governor, Cabinet and Supreme Court Justice) may appoint no more than 15 deputy campaign treasurers. Any other candidate may appoint no more than three deputy campaign treasurers.
4. Deputy campaign treasurers are appointed in the same manner as the campaign treasurer by filing Form DS-DE 9 with the filing officer.

Form DS-DE 9:

1. Must be on file with the filing officer prior to opening the campaign account.
2. Is not effective until the campaign treasurer signs it and it is filed with the filing officer.
3. Is not considered "filed" upon mailing.
4. Must be on file with the filing officer prior to the candidate accepting any contributions or making any expenditures, authorizing another to accept contributions or make expenditures on the person's behalf, or obtaining signatures on DS-DE 104, Candidate Petition.

(Section 106.021, F.S.)

Duties and Responsibilities

No contribution or expenditure, including contributions or expenditures of a candidate or of the candidate's family, shall be directly or indirectly made or received in furtherance of the candidacy of any person for nomination or election to political office in the state except through the duly appointed campaign treasurer of the candidate, subject to the following exceptions:

1. Independent expenditures;
2. Reimbursements to a candidate or any other individual for expenses incurred in connection with the campaign by a check drawn upon the campaign account and reported pursuant to

Section 106.07(4), F.S. The full name and address of each person to whom the candidate or other individual made payment for which reimbursement was made by check drawn upon the campaign account shall be reported pursuant to Section 106.07(4), F.S., together with the purpose of such payment;

3. Expenditures made indirectly through a treasurer for goods or services, such as communications media placement or procurement services, campaign signs, insurance, or other expenditures that include multiple integral components as part of the expenditure and reported pursuant to Section 106.07(4)(a)13.; or
4. Expenditures made directly by any political committee or political party regulated by Chapter 103, F.S., for obtaining time, space or services in or by any communications medium for the purpose of jointly endorsing three or more candidates, and any such expenditure shall not be considered a contribution or expenditure to or on behalf of any such candidate for the purposes of this chapter.

The campaign treasurer:

1. Shall keep detailed accounts of all contributions received and all expenditures made by or on behalf of the candidate. Such accounts must be kept current within not more than two days after the date a contribution is received or an expenditure is made.
2. Shall deposit all funds received by the end of the 5th business day into the campaign depository. All deposits shall be accompanied by a bank deposit slip containing the name of each contributor and the amount of each contribution.
3. Shall keep detailed accounts of all deposits made in any separate interest-bearing account or certificate of deposit and all withdrawals made from these accounts to the primary depository and all interest earned.
4. Shall preserve all accounts for a number of years equal to the term of office to which the candidate seeks election.
5. Shall file regular reports of all contributions received and expenditures made by or on behalf of such candidate.
6. May be fined \$1,000 or more or be subjected to criminal penalties for failing to file a campaign report or filing an incomplete or inaccurate report.

Deputy campaign treasurers may exercise any of the powers and duties of the campaign treasurer when specifically authorized to do so by the campaign treasurer and candidate.

Accounts, including separate interest-bearing accounts and certificates of deposit, kept by the campaign treasurer of a candidate may be inspected under reasonable circumstances before, during, or after the election to which the accounts refer by any authorized representative of the Division of Elections or the Florida Elections Commission.

(Sections 106.021, 106.06, 106.07, 106.19 and 106.265, F.S.)

Resignation or Removal

IMPORTANT: When a campaign treasurer resigns or is removed by the candidate, a copy of the letter of resignation or removal must be filed with the filing officer.

A campaign treasurer or deputy treasurer can **resign** by:

1. Submitting his or her resignation to the candidate in writing and filing a copy with the filing officer;
2. **The resignation is not effective until a copy of the written resignation is filed with the filing officer.**

A candidate may **remove** the campaign treasurer or deputy treasurer by:

1. Giving written notice to the campaign treasurer or deputy treasurer and filing a copy with the filing officer;
2. **The removal is not effective until a copy of the written notice is filed with the filing officer.**

In the case of death, resignation, or removal of a campaign treasurer or deputy treasurer, the candidate shall appoint a successor by certifying the name and address to the filing officer on Form DS-DE 9, Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates.

(Section 106.021(2), F.S.)

Chapter 10

Campaign Depositories

Primary Campaign Depository

A candidate must designate a primary campaign depository with a bank, savings and loan association, or credit union authorized to do business in the State of Florida. The campaign depository is designated at the same time as a treasurer is appointed. A candidate who seeks to qualify by the petition process shall designate a campaign depository prior to obtaining signatures on petitions.

IMPORTANT: *All contributions must be deposited into such account and all expenditures must be drawn by a check on such account, except when paid with petty cash. (See Chapter 12, Expenditures).*

A candidate must file the name and address of the primary campaign depository with the same officer with whom the candidate files the name of his or her campaign treasurer on **Form DS-DE 9, Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates.**

The campaign account must be separate from any personal or other account and used only for depositing campaign contributions and making expenditures.

Designating a campaign depository does not mean physically opening your account. It is merely naming the financial institution where your campaign funds will be deposited. This is because most banks require an initial deposit to open a campaign account and a contribution cannot be accepted prior to the candidate filing Form DS-DE 9.

All funds received by the campaign treasurer shall, prior to the end of the **fifth business day** following the receipt thereof, Saturdays, Sundays, and legal holidays excluded, be deposited in a campaign depository designated pursuant to Section 106.021, F.S., in an account designated *“(Name of Candidate) Campaign Account.”*

IMPORTANT: *All deposits must be accompanied by a bank deposit slip containing the name of each contributor and the amount contributed by each.*

(Sections 106.021(1) and 106.05, F.S.)

Secondary Campaign Depository

A candidate may designate one secondary depository in each county where an election is held in which the candidate participates for the sole purpose of depositing contributions for transfer into the primary depository.

A candidate must file the name and address of each secondary campaign depository with the same officer with whom the candidate files the name of his or her campaign treasurer on Form DS-DE 9.

If a contribution is deposited in a secondary depository, the depository shall forward the full amount of the deposit, along with a copy of the deposit slip, to the primary depository prior to the end of the first business day following the deposit.

(Sections 106.021(1) and 106.05, F.S.)

Separate Interest-Bearing Accounts and Certificates of Deposit

In the event funds are available in the primary campaign depository that are not currently needed for the disbursement of expenditures, the campaign treasurer or deputy campaign treasurer may deposit such funds into a separate interest-bearing account designated as "*(Name of Candidate) Separate Interest-Bearing Campaign Account*" or may purchase a certificate of deposit with the available funds.

Any bank, savings and loan association, or credit union authorized to transact business in Florida may be used for this purpose. The separate interest-bearing account or certificate of deposit shall be separate from any personal or other separate interest-bearing account or certificate of deposit.

Any withdrawal from a separate interest-bearing account or certificate of deposit of the principal or earned interest or any part thereof shall be made only for the purpose of transferring funds to the primary campaign account.

(Section 106.021(1), F.S.)

Campaign Checks

IMPORTANT: *When issuing checks from the campaign account, the campaign treasurer or deputy treasurer shall be responsible for the completeness and accuracy of the information on such check and for insuring that such expenditure is an authorized expenditure.*

Campaign checks must contain the following information:

1. The statement "*Campaign Account of (Name of Candidate),*"
2. Account number and name of bank,
3. The exact amount of the expenditure,
4. The signature of the campaign treasurer or deputy treasurer,
5. The exact purpose of the expenditure, and
6. The name of the payee.

This information may be typed or hand-printed on starter checks provided by the bank until printed checks arrive. *(Section 106.11(1), F.S.)*

Debit Cards *(See Chapter 12, Expenditures.)*

A candidate may use a debit card to make campaign expenditures.

1. Must be obtained from the same bank that has been designated as the primary campaign depository.
2. Must be issued in the name of the treasurer, deputy treasurer, or authorized user and state "Campaign Account of (name of candidate or political committee)."
3. No more than **three** debit cards shall be issued.
4. Prior to use, a list of all persons authorized to use the card must be on file with the Division.
5. Must expire no later than midnight of the last day of the month of the general election.

(Section 106.11(2), F.S., and Division of Elections Opinion 00-03)

Credit Cards *(See Chapter 12, Expenditures.)*

Candidates for **statewide office (Governor, Cabinet, and Supreme Court Justice)** may obtain and use credit cards for travel-related campaign expenditures if the following conditions are met:

1. Must be obtained from the bank which has been designated as the primary campaign depository.
2. Shall be in the name of the candidate and reflect that the account is a campaign account.
3. Prior to use, a copy of the agreement or contract between the candidate and the bank, and a list of all persons authorized to use the card shall be filed with the Division.
4. Must expire no later than midnight of the last day of the month of the general election.
5. Billing statements shall be paid upon receipt.
6. Campaign travel-related expenditures shall include transportation, lodging, meals, and other expense incurred in connection with traveling for campaign purposes.

(Section 106.125, F.S.)

Chapter 11

Contributions

A contribution is:

1. A gift, subscription, conveyance, deposit, loan, payment or distribution of money or anything of value made for the purpose of influencing the results of an election or making an electioneering communication. These include contributions in-kind, having an attributable monetary value in any form;
2. A transfer of funds between political committees, between committees of continuous existence, or between a political committee and a committee of continuous existence;
3. The payment, by any person other than a candidate, of compensation for the personal services of another person which are rendered to a candidate without charge to the candidate for such services; or
4. The transfer of funds by a campaign treasurer or deputy campaign treasurer between a primary depository and a separate interest-bearing account or certificate of deposit. The term includes any interest earned on such account or certificate.

The exceptions are:

1. Services provided without compensation by individuals volunteering a portion or all of their time on behalf of a candidate including, but not limited to, legal and accounting services;
2. Editorial endorsements.

IMPORTANT: *The law provides no exceptions for reporting contribution information, regardless of the size of the contribution (e.g., the reporting requirements would be the same for a 50 cent contribution as for a \$500 contribution).*

(Section 106.011(3), F.S.)

Unauthorized Contributions

Any contribution received by a candidate with opposition in an election or by the campaign treasurer or deputy campaign treasurer on the day of that election or less than five days prior to the day of the election must be returned to the contributor and may not be used or expended by or on behalf of the candidate.

(Section 106.08(3), F.S.)

Anonymous Contributions

When a candidate receives an anonymous contribution it must be reported on the candidate's campaign treasurer's report as an anonymous contribution. A letter should be submitted to the filing officer explaining the circumstances surrounding the acceptance of the anonymous contribution.

The candidate cannot spend the anonymous contribution, but at the end of the campaign can donate the amount to an appropriate entity under Section 106.141, F.S.

(Division of Elections Opinion 89-02)

In-Kind Contributions

In-kind contributions are anything of value made for the purpose of influencing the results of an election.

The exceptions are:

1. Money;
2. Personal services provided without compensation by individual volunteers;
3. Independent expenditures, as defined in Section 106.011(5), F.S.; or
4. Endorsements of three or more candidates by political committees or political parties.

(Section 106.011, F.S.; and Division of Elections Opinion 04-06)

Any person who makes an in-kind contribution shall, at the time of making the contribution, place a fair market value on the contribution. In-kind contributions are subject to contribution limitations. Travel conveyed upon private aircraft shall be valued at the actual cost of per person commercial air travel for the same or a substantially similar route.

(Section 106.055, F.S.)

Loans

Loans are considered contributions and are subject to contribution limitations; however, loans made by a candidate to his own campaign are not subject to contribution limitations. Loans to or from each person or political committee must be reported together with names, addresses, occupations, and principal places of business, if any, of the lenders and endorsers, including the date and amount of each loan on the campaign treasurer's report.

All personal loans exceeding \$500 in value, made to a candidate and used for campaign purposes and made in the twelve months preceding his or her election to office, must be reported on **Forms DS-DE 73 and 73A, Campaign Loans Report**, and filed with the filing officer within ten days after being elected to office. **Loan reports filed with the Division of Elections must be filed using the Electronic Filing System (EFS).**

Any person who makes a contribution to pay all or part of a loan incurred in the twelve months preceding the election, to be used for the campaign, may not contribute more than the amount allowed in Section 106.08(1), F.S.

(Sections 106.011, 106.07 and 106.075, F.S.)

Cash Contributions

A person may not make or accept contributions from an individual in cash or by means of a cashier's check in excess of \$50 per election.

IMPORTANT: Cash contributions should be reported on campaign treasurer's reports to include the full name and address of each person who gave a cash contribution during the reporting period, together with the amount and date of such cash contribution.

(Sections 106.07(4) and 106.09, F.S.)

Debit and Credit Card Contributions

A candidate may accept contributions via a credit card, debit card, or money order. These contributions are categorized as a "check" for reporting purposes.

(Division of Elections Opinions 94-02 and 00-03)

Contribution Limits for Candidates

IMPORTANT: Except for political parties, no person, political committee, or committee of continuous existence may make contributions in excess of \$500 per election to any candidate for election or retention in office. The primary and general elections are separate elections. (See Glossary for the definition of "person.")

These limits do not apply to contributions made by a state or county executive committee of a political party regulated by Chapter 103, F.S., or to amounts contributed by a candidate to his own campaign.

A candidate may **not**:

1. Accept contributions until Form DS-DE 9, Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates, is filed with the filing officer;
2. Accept a contribution in excess of \$500 from any one person per election, provided the candidate is an opposed candidate and the contribution is received within the timeframe applicable to each election;
3. Accept contributions from family members in excess of \$500 per election;
4. Accept more than \$100 per election from an unemancipated child under the age of 18;

Accept contributions which in the aggregate exceed \$50,000 from national, state, or county executive committees of a political party including any subordinate committee (which includes any political committee or committee of continuous existence affiliated with a political party) of a national, state, or county committee of a political party; no more than \$25,000 of such contributions may be accepted prior to **October 5, 2010**. Polling services, research services, cost for campaign staff, professional consulting services, and telephone calls are not contributions to be counted toward the contribution limits, but must still be reported by the candidate. All other contributions are counted toward the contribution limits;
6. A candidate for statewide (Governor, Cabinet and Supreme Court Justice) office may not accept contributions from a national, state, or county executive committee of a political party, including any subordinate committee of a national, state, or county committee of a political party, which contributions in the aggregate exceed \$250,000, no more than \$125,000 of which may be accepted prior to **October 5, 2010**; or

7. Accept contributions after the date he or she withdraws his or her candidacy, is defeated, becomes unopposed or is elected.

(Sections 106.08 and 106.19, F.S.)

Foreign Contributions

Federal law prohibits contributions from foreign nationals to any federal, state, or local candidate, unless the foreign national possesses a green card. Further information can be accessed by contacting the Federal Election Commission at 1-800-424-9530 or on their website at www.fec.gov.

It may not be used or expended by or on behalf of the candidate.

Definition

An expenditure is a purchase, payment, distribution, loan, advance, transfer of funds by a campaign treasurer or deputy campaign treasurer between a primary depository and a separate interest-bearing account or certificate of deposit, or gift of money or anything of value made for the purpose of influencing the results of an election or making an electioneering communication.

General Requirements

3. Pay for all expenses authorized or incurred for the purchase of goods or services upon final delivery and acceptance of the goods or services; and
4. Pay for public utilities such as telephone, electric, gas, water and like services when the bill is received. Utility companies providing services to candidates must charge a deposit sufficient to meet all anticipated charges during a billing period.

IMPORTANT: *No candidate, campaign manager, treasurer, deputy treasurer, or any person acting on behalf of the foregoing, shall authorize any expenses, unless there are sufficient funds on deposit in the primary depository account of the candidate to pay the full amount of the authorized expense, to honor all other checks draw on such account, which checks are outstanding, and to meet all expenses previously authorized but not yet paid.*

Sufficient funds means that the funds at issue have been delivered for deposit to the financial institution at which such account is maintained and not that such funds are available for withdrawal in accordance with the deposit rules or the funds availability policies of such financial institution.

Checks

IMPORTANT: *Only a campaign treasurer or deputy campaign treasurer is allowed to sign checks drawn on the campaign account. The campaign treasurer or deputy campaign treasurer who signs a check shall be responsible for the completeness and accuracy of the information on the check and for ensuring it is an authorized expenditure. **Candidates are prohibited from signing campaign checks unless they appointed themselves campaign treasurer or deputy treasurer.***

A candidate or other individual may be reimbursed for expenses incurred in connection with the campaign by a check drawn on the campaign account and reported pursuant to Section 106.07(4), F.S. The full name and address of each person to whom the candidate or other individual made payment for which reimbursement was made by check drawn upon the campaign account shall be reported pursuant to Section 106.07(4), F.S., together with the purpose of such payment.

Living Expenses

A candidate or the spouse of a candidate may not use campaign funds to defray normal living expenses for the candidate or the candidate's immediate family other than expenses actually incurred during the campaign for transportation, meals and lodging.

(Sections 106.011(4), 106.021(3), 106.14 and 106.1405, F.S.)

Petty Cash Funds

A campaign treasurer may provide a petty cash fund for the candidate. To establish a petty cash fund, the campaign treasurer must write a check drawn on the primary campaign account. Petty cash may only be used for office supplies, transportation expenses, and other necessities.

A candidate **must**:

1. Spend petty cash in amounts of less than \$100;
2. Report the total amount withdrawn and the total amount spent for petty cash in each reporting period;
3. Keep complete records of petty cash although each expenditure does not have to be reported individually;
4. Not mix cash contributions with petty cash; and
5. Not use petty cash for the purchase of time, space, or services from any communications media.

From the day a candidate appoints his or her campaign treasurer until the last day a candidate can qualify for office the campaign treasurer may withdraw from the campaign account for the purpose of providing a petty cash fund for the candidate:

- \$500 per calendar quarter.

Independent Expenditures

An independent expenditure means an expenditure made by a person for the purpose of **expressly advocating** the election or defeat of a candidate, which expenditure is not controlled by, coordinated with, or made upon consultation with, any candidate or agent of such candidate. An expenditure for such purpose by a person having a contract with the candidate or agent of such candidate in a given election period shall not be deemed an independent expenditure.

Expressly advocates means any communication which uses phrases including, but not limited to: "vote for," "elect," "support," "cast your ballot for," "Smith for Congress," "vote against," "defeat," "oppose," and "reject."

If the independent expenditure is, in the aggregate, in the amount of \$100 or more, the person must file a report with the candidate's filing officer.

Political advertisements paid for by an independent expenditure must contain the following statement: *"Paid political advertisement paid for by (name and address of person paying for the advertisement) independently of any (candidate)."*

However, an expenditure for the purpose of **expressly advocating** the election or defeat of a candidate which is made by the national, state, or county executive committee of a political party, including any subordinate committee of a national, state, or county committee of a political party, or by any political committee or committee of continuous existence, or any other person, **shall not be considered an independent expenditure if the committee or person:**

1. Communicates with the candidate, the candidate's campaign, or an agent of the candidate acting on behalf of the candidate, including any pollster, media consultant, advertising agency, vendor, advisor, or staff member concerning the preparation of, use of, or payment for, the specific expenditure or advertising campaign at issue; or
2. Makes a payment in cooperation, consultation, or concert with, at the request or suggestion of, or pursuant to any general or particular understanding with the candidate, the candidate's campaign, a political committee supporting the candidate, or an agent of the candidate relating to the specific expenditure or advertising campaign at issue; or
3. Makes a payment for the dissemination, distribution, or republication, in whole or in part, of any broadcast or any written, graphic, or other form of campaign material prepared by the candidate, the candidate's campaign, or an agent of the candidate, including any pollster, media consultant, advertising agency, vendor, advisor, or staff member; or
4. Makes a payment based on information about the candidate's plans, projects, or needs communicated to a member of the committee or person by the candidate or any agent of the candidate, provided the committee or person uses the information in any way, in whole or in part, either directly or indirectly, to design, prepare, or pay for the specific expenditure or advertising campaign at issue; or

3. Is published after the issue is designated a ballot position or 120 days before the date of the election on the issue, whichever occurs first, for communications containing a clear reference indicating that an issue is to be voted on in an election.

The **exceptions** are:

A political advertisement is a paid expression in any communications media, whether radio, television, newspaper, magazine, periodical, campaign literature, direct mail, or display or by means other than the spoken word in direct conversation, which expressly advocates the election or defeat of a candidate or the approval or rejection of an issue.

(Section 106.143, F.S.)

Candidate Disclaimers

Any political advertisement that is paid for by a candidate and that is published, displayed, or circulated prior to, or on the day of, any election must **prominently** state: *“Political advertisement paid for and approved by (name of candidate), (party affiliation) for (office sought).”* This paragraph does not apply to campaign messages designed to be worn by a person.

Any political advertisement of a **candidate running for partisan office** shall express the name of the political party of which the candidate is seeking nomination or is the nominee.

If the candidate for partisan office is running as a candidate with no party affiliation, any advertisement of the candidate must state that the candidate has no party affiliation. A candidate who is registered in a political party may run as a candidate with “no party affiliation” without changing his or her registration.

The candidate shall provide a **written statement of authorization** to the newspaper, radio station, television station, or other medium for each advertisement submitted for publication, display, broadcast, or other distribution.

Candidates running for **non-partisan** office should not put a reference to party affiliation in the disclaimer.

The political advertisement must also state whether the advertisement and cost of production is paid for or provided in-kind by or at the expense of the entity publishing, displaying, broadcasting, or circulating the political advertisement; or state who provided or paid for the advertisement and cost of production, if different from the source of sponsorship. (This paragraph does not apply if the source of sponsorship is patently clear from the content or format of the political advertisement.)

Endorsements in Political Advertisements

It is unlawful for any candidate or person on behalf of a candidate to represent that any person or organization supports such candidate, unless the person or organization so represented has given specific approval in writing to the candidate to make such representation. However, this paragraph does not apply to editorial endorsement by any newspaper, radio or television station, or other recognized news medium; and publication by a party committee advocating the candidacy of its nominees.

Prior to Disposing of Surplus Funds

A candidate may be reimbursed by the campaign for any previously reported contributions by the candidate to the campaign, in full or in part.

A candidate who filed an oath stating that he or she was unable to pay the election assessment or fee for verification of petition signatures without imposing an undue burden on his or her personal resources or on resources otherwise available to him or her, or who filed both such oaths, or who qualified by the petition method and was not required to pay an election assessment, must reimburse the state or local government entity, whichever is applicable, for such waived assessment or fee or both prior to disposing of any funds under the surplus provisions contained in Section 106.141(4), F.S. Such reimbursement must be made in the following order:

1. The cost of petition verification; and
2. If funds remain, the amount of the election assessment.

(Section 106.141, F.S.)

Disposing of Surplus Funds

Once a candidate withdraws, becomes unopposed, is eliminated, or elected to office, the candidate must dispose of the funds on deposit in his or her campaign account and file a campaign treasurer’s report (termination report) reflecting the disposition of funds.

A candidate required to dispose of surplus funds must, at the option of the candidate, dispose of such funds within 90 days by any of the following means, or a combination thereof:

1. Return pro rata to each contributor the funds that have not been spent or obligated.

2. Donate the funds that have not been spent or obligated to a charity organization or organizations that meet the qualifications of Section 501(c)(3) of the Internal Revenue Code.
3. Give not more than \$10,000 of the funds that have not been spent or obligated to the political party of which such candidate is a member, except that a candidate for the Florida Senate may give not more than \$30,000 of such funds to the political party of which the candidate is a member.
4. Give the funds that have not been spent or obligated:
 - a. In the case of a candidate for state office, to the state to be deposited in the General Revenue Fund; or
 - b. In the case of a candidate for office of a political subdivision, to such political subdivision, to be deposited in the general fund thereof.
5. Transfer some funds to an office account (See Chapter 18, Office Accounts).

The termination report must include:

1. The name and address of each person or unit of government to whom any of the funds were distributed and the amounts thereof;
2. The name and address of each person to whom an expenditure was made together with the amount and purpose; and
3. The amount of such funds transferred to an office account together with the name and address of the bank in which the office account is located.

If a refund check is received after all surplus funds have been disposed of, the check may be endorsed by the candidate and the refund disposed of pursuant to Section 106.141, F.S. An amended termination report must be filed with the filing officer.

All reports must be signed by the candidate and the campaign treasurer and certified as true and correct.

(Section 106.141, F.S.)

Money from Separate Interest-Bearing Account or Certificate of Deposit

A campaign treasurer of any candidate who withdraws, becomes unopposed, or is eliminated, or elected to office, and who has funds on deposit in any interest-bearing account or certificate of deposit, must, within seven days, transfer such funds and accumulated interest earned thereon to the primary campaign account for disposal. However, when funds are in an account in which penalties will apply for withdrawal within the seven day period, the campaign treasurer must transfer such funds and accumulated interest earned thereon as soon as the funds can be withdrawn without penalty, or within 90 days after the candidate becomes unopposed, withdraws his or her candidacy, or is elected, or eliminated, whichever comes first.

(Section 106.141, F.S.)

Campaign Loans Report

A person elected to office must report all loans, exceeding \$500 in value, made to him or her and used for campaign purposes, and made in the twelve months preceding his or her election to office, to the filing officer. The report must be made on **Forms DS-DE 73 and 73A, Campaign Loans Report** within ten days after being elected to office. Loan reports filed with the Division of Elections must be filed using the EFS.

Any person who makes a contribution to an individual to pay all or part of a loan incurred in the twelve months preceding the election, to be used for the individual's campaign, may not contribute more than the amount which is allowed in Section 106.08(1), F.S.

(Section 106.075, F.S.)

Chapter 19

Electronic Filing of Campaign Reports

The Electronic Filing System (EFS) is an Internet system for recording and reporting campaign finance activity. Each candidate required to file reports with the Division of Elections under Section 106.07, F.S., must file such reports with the Division by means of the EFS.

Reports filed pursuant to this section:

1. Shall be completed and filed through the EFS not later than 12:00 a.m., Eastern Standard Time, of the due date. Reports not filed by this time are late filed and are subject to the penalties under Sections 106.04(8), 106.07(8), or 106.29(3), F.S., as applicable.
2. Are considered to be under oath by the candidate and treasurer, and such persons are subject to provisions of Sections 106.04(4)(d), 106.07(5), or 106.29(2), F.S., as applicable. Persons given a secure sign-on to the EFS are responsible for protecting such from disclosure and are responsible for all filings using such credentials, unless they have notified the division that their credentials have been compromised.

(Sections 106.0705 and 106.0706, F.S.)

Accessing the EFS

From *Internet Explorer* you can access the EFS at <https://efs.dos.state.fl.us>. Each candidate is provided an identification number and initial password to gain entry. Once you log in using the initial password, you will be prompted to change it to a confidential one. You are responsible for protecting the password from disclosure. Contact the Division of Elections immediately if your password has been compromised.

Creating Reports

Campaign reports must be entered, saved, reviewed, and filed via the EFS either by directly entering data into the web application or by uploading data using an approved vendor's software. The Division maintains a list of approved software vendors whose programs meet the file specifications for filing campaign reports. Instructions for uploading reports are provided in the *EFS User's Guide*.

Submitting Reports

Reports will be held in pending status until the report is ready to be filed. Each person eligible to file a report will receive a PIN (personal identification number) that allows the person to file reports via the EFS. **A person's PIN is considered the same as that person's signature on a filed report.**

Electronic Receipts

The person filing a report on the EFS may print an electronic receipt verifying the report was filed with the Division. Each report filed by means of the EFS is considered to be under oath and such persons filing the report are subject to the provisions of Chapter 106, F.S.

Chapter 20 Office Accounts

A candidate elected to office or a candidate who will be elected to office by virtue of his or her being unopposed may, in addition to disposing of all the funds in the campaign account in accordance with Section 106.141(4), F.S., transfer funds from the campaign account to an office account any amount up to the limits listed below:

1. \$20,000 for a candidate for statewide office;
2. \$5,000 for a candidate for multicounty office;
3. \$5,000 multiplied by the number of years in the term of office for which elected for a candidate for legislative office;
4. \$2,500 multiplied by the number of years in office for which elected for a candidate for county office or for a candidate for any election on less than a countywide basis;
5. \$6,000 for a candidate for retention as a justice of the Supreme Court;
6. \$3,000 for a candidate for retention as a judge of a district court of appeal;
7. \$1,500 for a candidate for county court judge or circuit judge.

(Section 106.141(5), F.S.)

Using the Office Account

The office account must be separate and apart from any other account, including any other type of "office account" such as a legislative account. Any funds so retained by a candidate must be used only for legitimate expenses in connection with the candidate's public office, which may include:

1. Travel expenses incurred by the officer or staff member;
2. Personal taxes payable on office account funds by the candidate or elected public official; or
3. Expenses incurred in the operation of his or her office, including employment of additional staff.

As the duties and responsibilities of each office are different, what are considered "legitimate expenses in connection with the candidate's public office" will vary. For additional information, please contact the legal or accounting department for your office.

If a candidate is re-elected to office or elected to another office and has funds remaining in the office account, the candidate may transfer surplus campaign funds to the office account. However, at no time may the total funds in the office account exceed the limitation imposed by Section 106.141(5), F.S.

(Section 106.141(5), F.S.)

Reporting Office Account Funds

A candidate is required to file a report on the 10th day following the end of each calendar quarter following the 90-day termination report until the office account is closed by filing:

1. **Form DS-DE 48, Office Account Report**, and
2. **Form DS-DE 48A, Office Account Disbursement or Deposit Information**.

Upon leaving office, any person who has funds in an office account shall give such funds to:

1. A charitable organization or organizations that meet the requirements of Section 501(c)(3) of the Internal Revenue Code; or,
2. In the case of a state officer, to the state to be deposited in the General Revenue Fund; or,
3. In the case of an officer of a political subdivision, to the political subdivision to be deposited in the general fund thereof.

Such reports shall be signed by the candidate, certified as true and correct and filed with the officer before whom campaign reports were filed.

(Section 106.141(5) and (8), F.S., and Division of Elections Opinion 06-04)

2. Records maintained by the campaign depository shall be subject to inspection by an agent of the Division of Elections or the Florida Elections Commission at any time during normal banking hours, and such depository shall furnish certified copies of any such records to the Division of Elections or Florida Elections Commission upon request. Chapter 22

Bookkeeping Suggestions

The Division of Elections has a few suggestions which may be helpful to campaign treasurers in setting up a system to record and maintain campaign information.

1. Keep a schedule of due dates for campaign treasurer's reports. The Division of Elections website (<http://www.elections.myflorida.com/>) provides each candidate with a calendar of election and reporting dates.
2. Know what period of time each report covers and only report activity occurring during that reporting period.
3. If filing with the Division of Elections, keep a copy of the electronic receipt for each report filed for your own records. If filing with the local officers, keep the certificate of mailing.
4. Record all contributions when received. Make sure to include the name, address, specific occupation, or principal type of business if over \$100, amount, and date of each contributor. Keep contributions itemized by monetary, in-kind, and loans.
5. Record all expenditures when they occur. List the name and address of each person to whom the expenditure was made along with the amount, date, and purpose.
6. Keep a petty cash ledger of all expenditures. These individual listings do not have to be listed on campaign treasurer's reports, only the total amount withdrawn and total amount spent per reporting period.
7. Monitor the cash flow to know how much money is available at all times in the account to avoid any possibility of authorizing an expenditure when money is not available to pay for such expenditure.
8. Maintain a listing of all funds currently in the separate interest-bearing account, certificate of deposit or money market account.
9. Make sure an authorization for advertising has been obtained from the candidate.

Chapter 23

Florida Elections Commission

The Florida Elections Commission is a separate and independent entity from the Division of Elections. Commissioners are appointed by the Governor from lists of names submitted by legislative leaders.

Automatic Fine Appeal Process

Any candidate may appeal or dispute a fine for a late filed campaign treasurer's report. The appeal must be based upon, but not limited to, unusual circumstances surrounding the failure to file on the designated due date. The candidate may request and is entitled to a hearing before the Florida Elections Commission, which has the authority to waive the fine in whole or in part. The Florida Elections Commission must consider the mitigating and aggravating circumstances contained in Section 106.265(1), F.S., when determining the amount of a fine, if any, to be waived. The appeal must be made within 20 days of the receipt of the notice of payment due. The candidate must, within the 20 day period, notify the filing officer in writing of his or her intention to bring the matter before the Commission.

(Section 106.07(8)(c), F.S.)

Complaint Process

Any person who has information of a violation of Chapters 104 or 106, F.S., shall file a sworn complaint with the Florida Elections Commission, 107 West Gaines Street, Suite 224, Tallahassee, Florida 32399-1050 or call 850-922-4539. A complaint form may be obtained from the Florida Elections Commission or downloaded from the Commission's website at www.fec.state.fl.us.

Chapter 24

Frequently Asked Questions

Candidates

If I want to be a no party affiliation candidate, can I still be registered to vote as a Republican or Democrat?

Yes. Any registered elector who qualifies for office without party affiliation will have their name placed on the ballot at the general election without party affiliation. (*Section 99.0955(1), F.S.*)

Do I have to designate a campaign treasurer and depository before I make public my intention to run for office?

No. A person must appoint a campaign treasurer and designate a depository prior to qualifying for office, obtaining signatures on petitions, accepting contributions or making expenditures. Nothing in the election laws prohibits a person from announcing their intention to become a candidate prior to designating a treasurer or depository as long as no contributions are received and no expenditures are made in connection with that announcement. (*Section 106.021, F.S.*)

What if I want to change my campaign treasurer or other officers?

File a reappointment of campaign treasurer ([Form DS-DE 9](#)) with the filing officer along with a copy of the letter of resignation or removal.

How are judges elected in Florida and what are their terms?

Merit Retention

Not all judges in Florida are elected to office. Supreme Court Justices and Judges of the District Court of Appeal are always appointed by the Governor from a list of three to six candidates presented by the Judicial Nominating Commission for that court. Once appointed, they must serve at least one year before the next general election and, thereafter, must face a "yes" or "no" vote every six years as to whether they will remain in office. If a judge is not retained the appointment process starts again. Further information can be obtained from the Florida State Courts website at www.flcourts.org.

Elected Judges

Elected circuit judges and county court judges have six year terms that begin on the first Tuesday after the first Monday in January following the general election. They are on the primary and general election ballots the year before the term ends in January. If a judicial candidate receives a majority of the votes at the primary election, the candidate's name will not appear on the general election ballot unless a write-in candidate has qualified for the same office. If no candidate receives a majority of the votes at the primary election, the names of the two candidates receiving the highest number of votes will appear on the general election ballot. The candidate receiving the highest number of votes at the general election is elected to office.

Can a judicial candidate speak at a political party function?

A judicial candidate may attend and speak in his own behalf at political party functions. However, care must be exercised to insure compliance with the election laws and the Code of Judicial Conduct. (Chapter 105, F.S. and Division of Elections Opinion 78-34)

I am a county court judge candidate. Where do I file and qualify?

You must file your appointment of campaign treasurer and designation of campaign depository and qualify with the supervisor of elections office in the county where you reside. (Section 105.031, F.S.)

When can I start collecting signatures to qualify as a petition candidate?

Before collecting any signatures, all candidates (except federal and special district candidates) must file the Appointment of Campaign Treasurer and Designation of Campaign Depository ([Form DS-DE 9](#)) with the filing officer. Each petition must be submitted before noon of the 28th day preceding the first day of the qualifying period for the office sought to the [Supervisor of Elections](#) of the county in which such petition was circulated.

Campaign Advertising

What information must be included on a political disclaimer?

Political advertisement paid for by a candidate:

"Political advertisement paid for and approved by
(name of candidate) (party affiliation) for (office sought)."

Political advertisement not paid for by a candidate:

"paid political advertisement" or "pd. pol. adv."
"(name and address of the persons sponsoring the advertisement)"

Political advertisement not paid for by a candidate, that supports a candidate, but is not an independent expenditure:

"paid political advertisement" or "pd. pol. adv."
"(name and address of the persons sponsoring the advertisement)"
"The content of this advertisement was approved by the candidate."

Political advertisement not paid for by a candidate, that supports a candidate, and is an independent expenditure:

"Paid political advertisement paid for by (name and address of the person paying for advertisement) independently of any (candidate or committee)."

(For more disclaimer examples see Chapters 13 and 14.)

Can my political ad say "re-elect" if I'm not the incumbent?

The word "re-elect" may not be used if the candidate is not the incumbent for the office sought. The word "for" must be used between the name of the candidate and the office sought. (Section 106.143(5), F.S.)

What is an electioneering communication?

Paid expressions other than the spoken word that refer to or depict a clearly identified candidate or issue, but do not expressly advocate the election or defeat of a candidate or issue. Expressly advocate means the communication has words such as "vote for," "vote against" or "elect." (Section 106.011(18), F.S.) **(However, see Note on page 2.)**

Do electioneering communications need disclaimers?

Yes. The disclaimer must read:

"Paid electioneering communication paid for by
(name and address of person paying for the communication)"
(Section 106.1439, F.S.) **(However, see Note on page 2.)**

Do I have to report expenditures for electioneering communications?

Yes. If the expenditure is not otherwise reported, it must be reported if the expenditure was \$100 or more. It is reported in the same manner, at the same time and subject to the same penalties as are political committee expenditures. (Section 106.071(1), F.S.) **(However, see Note on page 2.)**

Campaign Finance

Do candidates for precinct committeeperson have to file campaign reports and comply with Chapter 106, F.S.?

No. Persons seeking election to political party executive committees are specifically exempt from the definition of "candidate" and are therefore not subject to the requirements of Chapter 106, F.S. (Sections 103.091 and 106.011(16), F.S.)

May a candidate appoint himself or herself as campaign treasurer?

Yes. (Section 106.021(1)(c), F.S.)

Must a campaign treasurer be a registered voter in Florida?

No. (Section 106.021(1)(c), F.S.)

How many deputy treasurers may a candidate or political committee have?

Candidates for statewide office may appoint up to 15 deputy treasurers. Other candidates and political committees may appoint up to 3 deputy treasurers. (Section 106.021(1)(a), F.S.)

Can a deputy treasurer file and submit campaign reports?

Yes. A deputy treasurer may perform all of the duties of a campaign treasurer when specifically authorized to do so by the campaign treasurer in the case of a candidate, or the campaign treasurer and chairperson in the case of a political committee. (Section 106.021(4), F.S.)

Who is responsible for keeping tabs on aggregate totals of campaign contributions?

The campaign treasurer is responsible for receiving and reporting all contributions. (Section 106.06, F.S.)

May a candidate accept a contribution from a trust fund?

Yes. Chapter 106, F.S., defines a "person" as an individual, corporation, association, firm, partnership, joint venture, joint stock company, club, organization, estate, trust, business trust, syndicate, or other combination of individuals having collective capacity. The term also includes a political party, political committee or committee of continuous existence. (Section 106.011(8), F.S.)

Do I have to itemize small contributions of \$5, \$10, \$50, etc.?

Yes. The law provides no exceptions for the reporting of contribution information, regardless of the size of the contribution. The full name and address of the contributor are also required. (Section 106.07(4)(a), F.S.)

Are in-kind contributions subject to the same limitations as monetary contributions?

Yes. In Chapter 106, F.S., the definition of a "contribution" includes contributions in-kind having an attributable monetary value in any form. Therefore, in-kind contributions are subject to the same limitations set for monetary contributions. (Section 106.011(3) and 106.08, F.S.)

How is the value of an in-kind contribution determined?

The contributor must inform the person receiving the contribution of the fair market value at the time it is given. (Section 106.055, F.S.)

Can a corporation give to a candidate, political committee or political party?

Yes. A corporation is under the definition of a "person" in Chapter 106, F.S. (Section 106.011(8), F.S.)

I am opposed in the general election, but I have no opposition in the primary election, therefore, my name will not be on the primary election ballot. Must I abide by the prohibition on accepting contributions less than five days prior to the primary election?

No. Only candidates opposed in the primary election are required to comply. However, since you are opposed and your name will appear on the general election ballot, you are required to abide by the prohibition on accepting contributions less than 5 days prior to the general election. (Section 106.08(3), F.S.)

Can I conduct a raffle to raise money for my campaign?

No. Pursuant to Section 849.09, Florida Statutes, it is unlawful for any person in this state to set up, promote, or conduct any lottery for money or anything of value.

I was given cash at a rally and have no information on who it is from? What do I do?

Report this contribution on your campaign report but do not spend these funds on the campaign. After the campaign is over, dispose of the funds pursuant to Section 106.141, F.S.

(Division of Elections Opinion 89-02)

As a candidate, what can I do with leftover campaign funds?

You may disburse leftover funds by any of the following means or a combination thereof:

- return pro rata to each contributor;
- donate to a charitable organization or organizations that meet the qualifications of s. 501(c)(3) of the Internal Revenue Code;
- give not more than \$10,000 to the political party of which the candidate is a member (except that a candidate for State Senate may give not more than \$30,000);
- in the case of a candidate for state office, give the funds to the state to be deposited in the General Revenue Fund; or
- in the case of a candidate for an office of a political subdivision, to such political subdivision to be deposited in the general fund thereof.

Candidates who have received contributions for public campaign financing shall return all surplus funds to the state.

Candidates shall reimburse the state or local government entity, in the order listed below, if they:

- filed an oath stating they were unable to pay the election assessment; and/or
- filed an oath stating they were unable to pay the fee for the verification of petition signatures without imposing an undue burden on personal resources or on resources otherwise available to them, or
- qualified by the alternative method and was not required to pay an election assessment.

In addition to the methods listed above, a candidate elected to office (or will be elected by virtue of being unopposed) may transfer funds from the campaign account to an office account to be used only for legitimate expenses in connection with the candidate's public office. The amount which can be transferred is limited pursuant to Section 106.141(5), F.S. (Section 106.141(5), F.S.)

What are considered “legitimate office expenses” for purposes of office accounts?

As the duties and responsibilities of each office are different, what are considered legitimate office expenses will vary. For further information specifically related to your office, please contact your office's legal or accounting department.

Can I combine my leftover campaign funds with a legislative account?

No. The office account must be separate from any other account (including a legislative account). (Section 106.141, F.S.)

I am an elected official and still have funds in my office account. I am now beginning my re-election campaign. May I place the surplus funds in the office account into my campaign account for re-election?

No. Funds retained by elected officials in their office accounts may only be used for legitimate expenses in connection with their public office. (Section 106.141(5), F.S.)

Do I have to file campaign reports on the Electronic Filing System (EFS)?

If the Division of Elections is your filing officer, you are required to file all campaign reports via the EFS. If your filing officer is other than the Division of Elections, you must contact their office to find out their requirements. (Section 106.0705, F.S.)

If my treasurer is out of town, can I have an extension to file my report?

No. The election laws do not provide for an extension under these circumstances. (Sections 106.04(4)(b)1., 106.07(2)(b) and (3), F.S.)

If I make a mistake on my report can I go back in and correct it on the EFS?

Once the report is submitted to the Division of Elections, the EFS will not permit you to go back and make changes. In order to correct mistakes or add and delete information, you must submit an "amendment."

If I am late submitting my report, how is my fine calculated?

\$50 per day for the first 3 days late and, thereafter, \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for reports immediately preceding the primary and general election, the fine shall be \$500 per day for each day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

How long are campaign records kept at the Division of Elections or the supervisor of elections?

Ten years from the date of receipt. (Sections 98.015(5) and 106.22(4), F.S.)
