

# EXCEPTION PROCEDURE

As identified in Article 4, Table 3 or Article 6 of Miami 21, a Use may be permitted by Exception in specific Transect Zones if it conforms to Miami 21 criteria. Exceptions may also be permitted for adjustments to nonconformities, as provided in Section 7.2. Except as otherwise provided in Miami 21; the Planning, Zoning and Appeals Board (PZAB) shall determine when an Exception may be granted.

## **Pre-Application Phase**

1. Applicant may consult with the Office of Zoning (4<sup>th</sup> Floor) and the Planning Department (3<sup>rd</sup> Floor) for Survey and plans guidance informally at anytime.
2. Prior to officially submitting an application for an Exception, the prospective applicant shall meet in a pre-application meeting with the Zoning Administrator and the Planning Director to obtain information and guidance as to matters related to the proposed application.
  - A. Prior to submitting for a pre-application meeting, the applicant shall have the Public Works Department (8<sup>th</sup> Floor) establish the survey building baseline and validate the legal description of the property. The applicant will not be eligible for a pre-application meeting unless the building baseline is established and architectural plans and survey are provided.
  - B. Submit one (1) 24" X 36" or larger set of plans to the Office of Zoning. Once the architectural plans & survey submission has been validated as complete for the pre-application by the Office of Zoning, the applicant will obtain a pre-application referral.
  - C. No later than seven (7) days prior to the desired date for the pre-application meeting, the applicant shall submit one (1) 11" X 17" set of plans with the pre-application referral to the Planning Department in order to be scheduled for the next available date.
  - D. At the pre-application meeting, the applicant will be provided with application materials from Hearing Boards (7<sup>th</sup> Floor) and may ask questions regarding the proposed application. If the proposal; plans, and survey are satisfactory, the applicant will obtain a referral to apply for an Exception.

## **Technical Review Phase**

3. If UDRB (Urban Development Review Board), COA (Certificate of Appropriateness), and/or CRC (Coordinated Review Committee) are required, the public hearing information with instructions will be provided to the prospective applicant during the pre-application meeting along with any additional necessary plans and instructions to facilitate the public hearing process.
4. As a result of the pre-application meeting, plans may be modified to comply with recommendations and requirements of the Miami 21 Code and recommending committees and boards such as the UDRB, CRC, or obtaining a COA. If plans require changes, the prospective applicant must drop-off the revised final plans to the Office of Zoning and the Planning Department along with Public Work's coversheet, stamped, dated and signed plans prior to re-submittal in order to obtain a write-up/analysis.
5. Upon submitting the final plans, Public Works, the Office of Zoning, and the Planning Department each will provide a coversheet, stamp, date, and sign the plans and consequently, the Office of Zoning provides a write-up and the Planning Department provides an analysis prior to filing an application with Hearing Boards.

## **Application Phase**

6. Applicant may meet with Hearing Boards informally to review the application package prior to submitting. (See attached instructions and application.)
7. In order to be scheduled for the PZAB, the applicant must submit during the last five (5) working days of the month for notification purposes. The prospective applicant shall submit the application and supporting documents for review and verification of completeness, and Hearing Boards will issue a revenue and escrow invoice for payment of the required fees for public hearing.
