

# LET'S TALK GREEN CONSTRUCTION

**MBDA Business Center**  
*in collaboration with*  
**LEED Certified Instructor**  
**Valerie J. Amor**  
*Presents*

## “Introduction to the LEED Associate”

**Wednesday, February, 1 2012,**  
**10:00 a.m. - 12:00 noon**

**MBDA Business Center**  
**970 SW 1<sup>st</sup> St., # 405, Miami FL 33130**

### COMPLIMENTARY ADMISSION

#### Don't Get Left Behind!

- Get your LEED credentials to start building green.
- Obtaining this special certificate will allow you to stand out and compete more effectively in construction, and in the green economy.

#### Discussion Points

- How to increase your competitive edge in construction
- New construction opportunities
- Bonding
- Financing

This Green Construction Forum will discuss the importance of LEED Certification and how it will better prepare you to take advantage of green construction opportunities

The MBDA Business Center is funded by the U.S. Department of Commerce, MBDA, and operated by M. Gill & Associates, Inc. Strategic Partnership support is provided by the City of Miami. The MBDA provides managerial coaching, technical assistance, growth management services and various training opportunities to educate and improve the competitiveness of small and minority businesses. For further information on the LEED Certification Forum, please call or email Jorge Iglesias or Sasha Patrick.
