**(Miami, FL April 1, 2011)**—City of Miami Mayor Tomas Regalado, along with City Commissioners, Miami-Dade County Public Schools Superintendent Alberto Carvalho, and other community stakeholders participated in the City of Miami Community Education Tour organized by Miami-Dade County Public Schools on Thursday, March 31, 2011.

Before departure, Mayor Regalado and Superintendent Carvalho welcomed and shared some words with guests at Miami City Hall. During the tour, information about each school was narrated through the bus audio system and participants had the opportunity to bring up their questions and insights. Guests toured three schools and visited several classrooms.

Due to great performance and improvement, the following three City of Miami public schools were selected for the tour:

- Coral Way K-8 Center, 1950 SW 13th Avenue, Miami, FL 33145
- Jesse J. McCrary, Jr. Elementary School, 514 NW 77th Street, Miami FL 33150
- Miami Edison Sr. High School, 6161 NW 5th Court, Miami FL 33127

“This tour will help us look at the rewards, the challenges and the innovations of public education in our community,” said Mayor Regalado. “We need to strengthen the collaboration between government and the school system on behalf of our students.”
