(Miami, FL February 18, 2011)—The City of Miami Department of Solid Waste will be conducting regularly-scheduled trash, garbage and recycling pick-up on Monday, February 21st, 2011, Presidents' Day . Those residents whose garbage, trash and recycling are always collected on Mondays should place their items out as they usually do. Residents with questions or concerns are encouraged to call 311. We also want to remind our residents that the city's Mini Dump is no longer operational.

Residents are reminded:

- **Do not park vehicles in front of the garbage container or place any garbage bags or other items around it**
- **Recycled items should be placed in the recyclable container in a visible and accessible location**

For more information, please contact Customer Service 311.

MEDIA NOTE: Please assist us in disseminating this information to avoid confusion among our City residents. Thank you.
